Commissioner for Patents

NOTIFICATION OF NON-COMPLIANCE WITH THE REQUIREMENTS OF 37 CFR 41.37(c)  
Appeal Brief on November 08, 2005 should have been drafted according to the new rules under 37 CFR 41.37.

The brief does not contain the items of the brief required by 37 CFR 41.37(c)(1) under the appropriate headings and/or in the order indicated. Missing Heading (x) *Related proceeding appendix*.

The brief does not contain a concise explanation of the subject matter defined in each of the independent claims involved in the appeal, referring to the specification by page and line number, and to the drawing, if any, by reference characters; and/or does not identify the structure, material, or acts described in the specification as corresponding to each claimed function for every means plus function and step plus function for each independent claim involved in the appeal and for each dependent claim argued separately by reference to the specification by page and line number, and to the drawing, if any, by reference characters, as required by 37 CFR 41.37(c)(1)(v). The Heading for section 37 CFR 41.37(c)(1)(v) is *Summary of Claimed Subject Matter*, not Summary of the invention.

The brief does not contain a concise statement of each ground of rejection presented for review as required by 37 CFR 41.37(c)(1)(vi). The Heading for section 37 CFR 41.37(c)(1)(vi) is *Ground of Rejection to be Reviewed on Appeal*, not Issues Presented.
